ANNA FLYNN

CFO

As we wrap up another whirlwind year at GCHA, I want to extend my sincere thanks to every one of you. Your dedication, resilience, and commitment to our customers, our communities, and each other have been the backbone of everything we achieved in 2025.

It hasn't always been easy - but somehow, much like Christmas lights pulled out of storage, we've managed to untangle ourselves, plug in, and still shine brilliantly

Thank you for showing up, stepping up, and lifting each other up.

As we look ahead to 2026, I'm genuinely excited for what's to come - a year of curiosity, smart challenges, courageous conversations, and continuous improvement. Together, we will keep strengthening "One GCHA" - building an organisation we're proud of and a future we shape with purpose.

Wishing you and your whānau a safe, joyful, and well-deserved festive season.

Anna

Staff Appraisals – A Chance to Reflect, Refocus, and Grow

This week I completed my appraisal. For me, a valuable opportunity to pause, reflect on the work I've been doing, and look ahead at how I can align my goals with GCH Aviation's wider strategies. It was a great reminder of how important it is for all of us to take time to celebrate our achievements, recognise where we can improve, and explore opportunities to upskill or strengthen our contribution.

Appraisals aren't just a tick-box exercise, they're our chance to have a voice, discuss what we need to perform at our best, and shape our own path forward. As we continue to grow as a company, every one of us plays a role in lifting our standards, developing new skills, and striving for excellence.

If you haven't had your appraisal yet, I encourage you to look forward to it as an empowering step in your professional journey. It's your moment to be heard, plan your goals, and take ownership of your future success. Enriching lives through our expertise in aviation!

Christchurch Christmas Party

The Christchurch Christmas Party was held at Drifters Hotel this year, providing a fantastic opportunity to catch up with colleagues and partners outside of work. Declan, Anna, and Jamie presented the core values awards, and the evening was a huge success filled with fun and celebration.

Nelson Christmas Party

The Nelson Christmas Party took place on Sunday at the Speights Ale House and was an amazing afternoon. Declan travelled up from Christchurch, making it great to catch up with familiar faces like Kodee and Ryan!

Arrival of the H145s

The two new H145s have landed all the way from Switzerland! Tony captured some incredible shots of them as they rolled into the hangar.

A&P & Santa Parade

Last month, the Christchurch Commercial Team had a busy but exciting time with the A&P Show and The Santa Parade! Over three operating days, the team completed approximately 80 flights over the city!

Christchurch families were thrilled to experience a helicopter at an affordable rate, and it was fantastic to get Garden City Helicopters' name out into the community—handing out stickers and croc charms to all the kids!

We enjoyed some amazing weather—for the most part—aside from a bit of hail towards the end!

Huge shoutout to Dan, Robyn, Miriam, Daniel, Jamie, Geoff, Simon, Geordie, Cam, Billie & Juliet for their amazing work!

Canterbury West Coast AIR RESCUE

Former Chef Adrian, assisted by Kaz, Cameron, and Juliet, helped Caroline from the Trust bring together a memorable night for the lucky bidders of the Crew in-home Cooking Experience, purchased at the Westpac Chopper Gala.

Adrian designed a fantastic menu featuring generous donated ingredients from Akaroa King Salmon and ANZCO Foods. A huge thank you from the Trust, our guests said it was an exceptional evening, and they were thrilled to support the service and will continue to do so in the future.

Scott and Ed, ready and waiting for their patient at Okains Bay.

It's that time of year – warm summer days, long evenings, and perfect moments for catching up with friends and family over a nice cold drink.

I've got just the thing for you! Every year I make **Elderflower Cordial** – a fragrant, lightly sweet syrup that's perfect with a glass of bubbles (some of you might know it as a "HUGO").

You can add it to just about anything – gin, vodka, sparkling water, cupcake icing, or even salad dressings. My personal favourite? Pouring it over **chocolate ice cream** or using it in a **mean salad dressing**.

Usually, I sell it at Christmas Markets for \$25, but I wanted to reach out to friends first. I'm offering it at **\$15 for a 375ml glass bottle**, complete with a handcrafted label (see picture).

Stock is limited, so let Annett know if you would like some!
